Sandpiper

MANUFACTURED BY
DENNIS
YACHTS

The Sandpiper will be your FIRST CHOICE if you desire a trailerable Yacht that can sail fast, be towed by a four cylinder motor car, be competitive in sailing events and sleep a family of four when cruising.

The Sandpiper makes the ideal cruising Yacht with the pop top up and increases the head room to over 11.5 ft. Making the Sandpiper one of the roomiest yachts available for it's length.

Yes we believe your FIRST CHOICE will be the Sandpiper.
